# REALIZE TREMENDOUS SAVINGS WITH MINIMAL INVESTMENT

*Cheaper, Easier, Safer*

## FARM TRUCK FRESH

San Luis Rio Colorado: Sonora, Mexico (SLRC)

**“Ideal for Food Processing & Manufacturing of all Types”**

Transition your production operations to Northern Mexico with FTF to Realize BIG Savings. It is cheaper and easier than you think when you partner with FARM TRUCK FRESH!

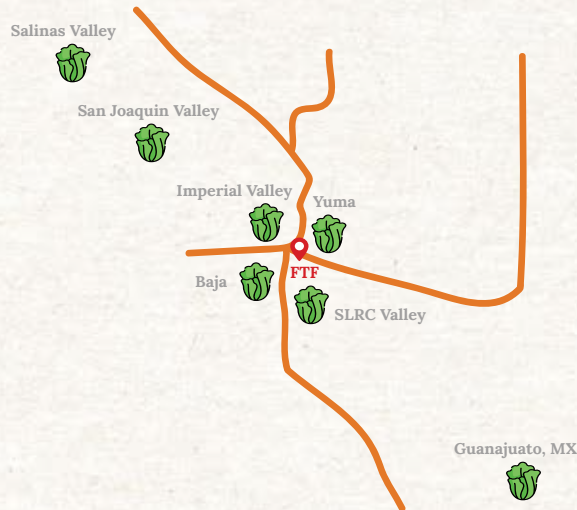

## Great Location

175 acres adjacent to the commercial port of entry at the intersection of 2 Countries, 4 States & 4 major agricultural growing areas makes it ideal for sourcing, markets and customer service.

## Market

## Supply

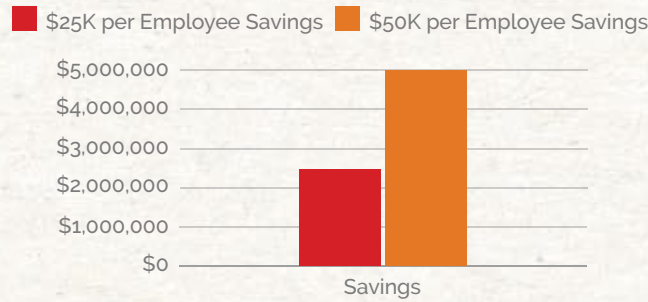

**< 1/2 mile  
to the USA!**

## Big Savings

Most companies that make the transition from the USA to Mexico realize an annual overall savings of \$25,000 to \$50,000 per employee.

### Potential Annual Savings Per 100 employees

*For every 100 employees transitioned equals a potential savings of \$2,500,000 to \$5,000,000 annually.*

## Minimal Investment Required

Have FARM TRUCK FRESH build you a brand new state of the art facility to your specifications and lease it back to you, most likely at a lower lease rate than you are currently paying for your facility in the United States.

## Let Us Do The Work for You

For a nominal fee FARM TRUCK FRESH will perform.

- **Human Resources** - recruitment, hiring, training, termination, government and reporting compliance
- **Customs** - Importing raw materials, Exporting finished goods, compliance and reporting requirements
- **OR everything** from A-Z including complete management services - Just provide the raw materials and specifications and we will provide you the finished product back to you in the USA

## Abundant Cost Effective Utilites

Power, water and wastewater are reliable and readily available. Previous customers experienced an approximate 50% reduction in these costs.

## Large Experienced, Skilled & Educated Workforce

Large workforce to pull from, experienced field, food and manufacturing workers, six local institutions providing technical degrees and two post graduate programs focussed on food safety, manufacturing, international trade and professional services.
